Let's dive into some of the most iconic and impactful quotes from this beloved young adult novel.

"It's not having what you want, it's wanting what you've got."

This is arguably the most famous quote from *Freak the Mighty*, and for good reason. It encapsulates the core philosophy of Freak. Despite his physical limitations, Kevin possesses an incredible zest for life and an unshakeable belief in his own worth. He doesn't dwell on what he *can't* do; instead, he finds immense joy and purpose in what he *can* do and in the life he has. This quote is a powerful lesson in

gratitude and contentment, applicable far beyond the pages of the book. It teaches us to appreciate the present and the resources we have, rather than constantly yearning for something more.

"The world is getting better and better and better and better and better and better and better."

This repetitive, almost chant-like statement from Freak is a testament to his optimistic outlook, even in the face of adversity. While the world around him might present challenges, Freak chooses to see the progress, the potential for good, and the inherent beauty in existence. It's a powerful antidote to cynicism and a reminder that our perception plays a crucial role in our experience of reality. This quote often resonates deeply with young readers grappling with their own feelings about the world.

"You don't forget to be brave."

This simple yet profound statement speaks volumes about the nature of courage. Freak doesn't see bravery as a fleeting emotion or something you **earn** through grand gestures. Instead, he views it as a fundamental aspect of character, something that is intrinsic and present at all times. It's a reminder that true bravery isn't the absence of fear, but the decision to act despite it. This quote from **Freak the Mighty** inspires us to embody bravery in our everyday lives, no matter the circumstances.

"I wanted to leave you something, you know, something that would last."

This poignant quote, spoken by Max after Freak's passing, highlights the enduring impact of their friendship. Freak, despite his short life, left an indelible mark on Max. He gifted Max not just his knowledge and his courage, but also a sense of purpose and a newfound understanding of himself. This quote underscores the profound and lasting legacy that genuine connections can create. It's a beautiful reminder that the most valuable possessions aren't material, but the relationships we cultivate.

"I can't walk, but I can fly."

This is a powerful metaphor for Freak's intelligence and imagination. While his physical body is confined, his mind is boundless. He can explore any topic, travel to any place, and create any world he desires through his intellect and his stories. This quote celebrates the power of the mind to transcend physical limitations and offers a message of hope for anyone who feels constrained by their circumstances. It's a core theme woven throughout **Freak the Mighty**.

"What you become is what you do."

This quote, often attributed to Freak, emphasizes the importance of action and the impact of our choices on our identity. We are not simply defined by our potential or our intentions; we are shaped by the things we actively do. This is a call to responsibility and a reminder that our actions have consequences, both for ourselves and

for the world around us. This philosophical snippet from *Freak the Mighty* encourages self-reflection and proactive living.

"It's like in the great stories, Max. The ones that really matter. The ones you remember long after they're over. Those are the ones that can change the world for you. Those are the stories that help you."

Freak's fascination with stories and legends is a crucial element of his character and his friendship with Max. He understands the power of narrative to shape our perceptions, provide comfort, and inspire us to be better. This quote highlights how stories can be a source of strength and guidance, helping us navigate the complexities of life. It's a testament to the idea that even a seemingly small story can have a monumental impact.

"I may be small, but I'm a genius."

This quote perfectly encapsulates Freak's self-awareness and his unwavering confidence in his intellect. He embraces his "freaky" nature, recognizing that his physical differences are overshadowed by his extraordinary mind. It's a powerful message about self-acceptance and recognizing one's unique strengths, even when they don't conform to societal norms. This is one of the *Freak the Mighty* quotes that truly embodies the spirit of overcoming limitations.

"We are the same."

This profound statement, made by Freak to Max, is the bedrock of their extraordinary bond. Despite their vastly different physical appearances and backgrounds, Freak recognizes a shared spirit, a shared yearning for something more, and a shared understanding of what it means to be an outsider. This quote speaks to the universal human desire for connection and the ability to find common ground even in the most unexpected places. It's a beautiful representation of true friendship.

"There are a lot of people who are just born losers, and I'm not one of them."

This quote reveals a deeper layer of Freak's perspective, touching upon societal perceptions and his determination to defy them. He acknowledges that some people are written off by society, but he refuses to accept that label for himself. It's a statement of defiance and self-empowerment, encouraging readers to reject limiting beliefs and forge their own paths.

"And the next thing you know, we're running."

This simple phrase, often used in conjunction with Max's narration, captures the adventurous spirit and the unfolding events of their escapades.
